Mathew D. Staver and Michael D. Rouse of Staver & Associates, Orlando, for appellants.

Sharon Lee Stedman of De Ciccio & Associates, P.A., Orlando, for appellees.

MICKLE, Judge.

We reverse the judge of compensation claims' (JCC's) order assessing attorney's fees

and costs in favor of appellees. No statutory authority exists for the attorney's fee award. Further, the costs award is not supported by competent substantial evidence. It is therefore unnecessary for us to address the remaining issues raised on appeal.

BARFIELD and WOLF, JJ., concur.
